AMENDMENT

Dear Sir:

This communication is in response to the Office Action of June 8, 2006.

The specific withdrawal of the previous grounds of rejection is gratefully acknowledged.

The Examiner provisionally rejected claims 19, 22 and 24 to 28 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 19, 20, 22 and 24 to 28 of co-pending Application No. 10/699,683.

Submitted herewith is a Terminal Disclaimer disclaiming the term of the patent to be granted on this application which may extend beyond the term of the patent to be granted on Application no. 10/699,683, signed by an attorney-of-record. Authorization to charge the prescribed fee from our deposit account is enclosed.
